## OPEN SIDE

### SESSION IPA

Light and summery beer, dry but not lacking in body, only slightly alcoholic but not without character. Of a light colour and with a white head, hops are added only with significant doses of Galaxy, the royal hops of Australia produced in Tasmania, which releases tropical aromas and a bitterness that recalls that of grapefruit. A full and satisfying flavour for a beer that is perfect for quenching summer thirst in company.

#### **Tecnical data**

Alcohol: 4,5% vol.

IBU: 45

Degrees Plato: 11°P

EBC: 7

Serving temp.: 6°C - 8°C

Bitterness: 🌿 🌿 🌿 🌿 🌿

#### **FORMATI**

33 cl

75 cl

@poderelabertacraftbeer

#### **Serving suggestions**

Perfect as an aperitif, and does very well with raw fish and with desserts, and even with dishes featuring fresh fruits and vegetables.
